

Internet Technologies Inc. **DECEMBER 2002 NEWSLETTER**

PRINT SHOP NOW OPEN: We have reopened our Print Shop with new equipment. We offer photocopying, COLOUR copying and our former range of services. You can print from disk and print out your Photo-CDs with our high quality Xerox laser. Time to send out flyers for your company's Christmas specials!

HIGH SPEED INTERNET: We now offer high-speed wireless connections to most areas in Fort St. James. New transmitters reach Sowchea Bay and Stones Bay and some farther out areas. High speed access is now only \$33.95 a month. Call or drop in for further information. We have installations backed up, so place or order now if you want service quickly. Look for our big ad in this week's Courier.

STUDENT-FAMILY SPECIAL: The 30 hour/month Student package Dec. 1st – June 30 is now only \$85 (\$12 month!), the Family 50 hour/month package is now only \$119 (\$17 month!)

CHRISTMAS STOCK IN: Our selection of stocking stuffers range from mice, mouse-pads, colored disks and CDs. Large stock of network cards for your needs.

MESSAGE BOARD RETURNS: The local message board will be linked by Dec. 5th to www.fsjames.com. It includes discussion groups, polls, and a new chat room area for local residents.

MAX GOODIES CD: many good programs are on our "Magik Bundle CD" and make it a great value at \$12.99. We're making another run of them because they sell so fast. Mail-washer, Ad-Aware and Anti-virus programs are only a few of the goodies included.

The staff at Max Internet wish all our customers the very best for the Christmas Season. We thank you for your patronage and support.
